CLASS REQUIREMENTS

1. Quizzes

   There will be two quizzes, which will cover the contents of the previous classes. They will be at the beginning of lecture 3 and lecture 7. Each quiz will be worth 30% of the course grade.

2. Project

   Your project is a 5 to 20 page report, which includes a cGMP audit form and the SOP explaining the use of the form. Please remember the SOP format and required elements of a procedure. The project is due on the last class. The instructor will provide the 483 or warning letter to each student.
